Our Services

PRICES – Please note that due to constant fluctuations in wholesale pricing, currency fluctuations & freight charges into Australia, prices are not listed. We reserve the right to change prices without notice accordingly. Please contact us for all current pricing.

INSURANCE – All goods shipped are insured as part of our freight charge.

FREIGHT – We do not charge a handling fee. All freight will be sent at actual shipping charges.

DELIVERIES & RETURNS – Payment is required at the time of the order and will be shipped the same day in majority of cases, or after full payment has been received as cleared funds. Despatch time is dependent on where you are located. We ship via Australia Post and Pack & Send dependent on the size of the package and have daily standard and express options available. We ship Australia wide and overseas.

Please choose carefully as we do not give refunds if you simply change your mind. Non-stock lines, special orders, used or second-hand goods are non-refundable. If goods have been fitted, modified, or had other goods fitted to them, you have accepted them with your approval, and they are non-returnable and non-refundable.

Please contact us via phone if you believe an item is faulty and would like to return it so we can provide you with instructions.

STOCK – New stock is arriving regularly so if you don't see what you are looking for in this catalogue, please check with us. All items listed are new or new old stock.

PRE-LOVED PARTS – We have a limited range in stock. Please phone for availability, price, and condition.

SPECIAL ORDERS – If a part is not listed in the catalogue, please ask we may have it in stock or may be able to order it in for you as we are actively expanding our stock lines.
